Poštovani,

Čast nam je da Vam uputimo poziv za **IV poslovni forum Privredne/Gospodarske komore Federacije BiH**, koji će se održati u **utorak, 03.12.2019. godine u Sarajevu, u prostorijama Hotela Austria & Bosna.**

Akcent ovogodišnjeg Poslovnog foruma stavljen je na privlačenje značajnih stranih investicija u Bosnu i Hercegovinu kroz punu realizaciju potencijala i mogućnosti koje naša zemlja nudi budućim ulagačima.

Kao sektor koji karakteriše dinamičan razvoj te snažna izvozna orijentacija, u fokusu IV Poslovnog foruma je automobilska industrija, koja u Bosni i Hercegovini ima dugogodišnju tradiciju, a kao konkurentne prednosti nudi savremene proizvodne kapacitete, visokoobrazovanu i konkurentnu radnu snagu, te kratke rokove isporuke zbog blizine Evropske unije. Brojne bh. kompanije iz automobilske industrije su pouzdan i značajan partner vodećih svjetskih brendova. Cilj Poslovnog foruma je da sagleda stanje automobilske industrije u BiH i njene potencijale, ali i buduća kretanja te savremene trendove u ovom sektoru.

IV poslovni forum organizira se pod pokroviteljstvom Premijera Vlade Federacije Bosne i Hercegovine, te uz sponzorsku podršku USAID WHAM projekta i UNDP-a. Na Forumu se očekuje učešće predstavnika renomiranih kompanija automobilske industrije, vlada, nevladinih i međunarodnih organizacija, te eksperata iz oblasti automotiva.

Imajući u vidu aktuelnost i važnost navedenih tema, bit će nam zadovoljstvo da učešćem na Poslovnom forumu date doprinos njegovoj uspješnoj realizaciji.

Molimo da prijavu učešća izvršite do 26.11.2019. godine, online putem stranice:

Dear Sir or Madam,

It is our great pleasure to invite you to take part in the **4th Business Forum of the Chamber of Economy of the Federation of Bosnia and Herzegovina**, which will be held on **Tuesday, December 3rd, 2019 in Sarajevo**, in the premises of Hotel Austria & Bosnia.

This year's Business Forum will place special emphasis on how to attract substantial foreign investment in Bosnia and Herzegovina by fully utilizing the potentials and opportunities our country has to offer.

The 4th Business Forum will focus strongly on Bosnia and Herzegovina's automotive industry as a sector characterized by dynamic development and a strong export orientation, its long-standing tradition, and competitive advantages that include modern production facilities, a highly-qualified and competitive workforce and short delivery times due to the proximity of the European Union.

Many BH automotive companies are recognized and significant partners to the world's leading automotive brands. The aim of this Business Forum is to present the current state of the BH automotive industry and its potentials, as well as future developments and the latest trends in this sector.

The 4th Business Forum will be organized under the auspices of the Prime Minister of the Federation of Bosnia and Herzegovina and with the sponsorship of the USAID WHAM Activity and UNDP. Forum participants will include representatives of renowned automotive companies, government bodies, non-governmental and international organizations, as well as automotive industry experts.

Bearing in mind that the Forum will address current and important topics, we would greatly appreciate your participation in the event and contribution to its successful organization.

We kindly request that you confirm your participation no later than November 26th, 2019, by registering via the following link: <http://kfbih.com/forum-registracija>.
